

Edward A. Hogan

Member

Edward A. Hogan represents and counsels' developers, redevelopers, manufacturers, commercial entities, and highly-regulated service businesses in all aspects of environmental law and litigation.

For over 25 years, Edd has been at the forefront of site remediation issues in New Jersey. He has partnered with clients and served as a trusted advisor, delivering integrated strategies for responding to governmental mandates, pursuing cost recovery actions, and facilitating purchase, sale, and redevelopment of contaminated properties. Edd handles all aspects of environmental law and litigation, including air quality and emissions, water quality and quantity management, and land use. He is a national thought leader in environmental law; he has been featured in legal, business, and trade group publications, and teaches continuing professional education programs.

Edd is a Fellow of the American College of Environmental Lawyers and is listed *The Best Lawyers in America*[®], in Environmental Law, Energy Law, Litigation—Environmental, and Natural Resources Law (1993-2023). He has been included in the Environmental Law section since 1993. Edd has also been selected for inclusion in the "International Who's Who of Environment Lawyers 2018" by *Who's Who Legal*. He is ranked "Band 1," the highest ranking an attorney can receive, in the Environment section by *Chambers USA*, one of the oldest and most prestigious legal listings in the world.
